Opis nemovitosti

We have this extraordinary investment opportunity to build a substantial villa with a swimming pool in a superb location.

The plot is beautifully positioned on the edge of a charming village on Pag Island.

It is just 150m from the shore and less than 10 minutes drive to the centre of the island.

The planners have allowed the building of a three story property on the plot, which measures a healthy 2140m sq, and already near the plot are the services (water supply, drains, electric etc).

There is a possibility to buy also a part of building plot (600 m2).

South oriented.

Another fabulous benefit of this land, is that a birth for a boat is available in the bay.

Zadar is 15 minutes drive and Split is 1.5 hours drive.
