Opis nemovitosti

We are pleased to offer this one bedroom apartment in the 'Varos' area of the old part of Split.

It requires refurbishment as it is currently uninhabitable with no furniture or fittings.

It is situated on the Marjan hill, between the park and the Riva and Diocletian Palace.

This area has many narrow streets, and although there is access for deliveries etc.

It is mostly 'pedestrian only' ensuring it is always peaceful and quiet, but still in walking distance to the ferry terminal, the Palace, the Riva, Marina and most of the historic and cultural attractions in the town.

It has an area of 34 m2, and is laid out to have one bathroom and two rooms that are an open plan living room with kitchen and one bedroom.

The apartment has connections to water and electricity.

Nearby is parking.

The International Airport is 30 minutes drive.

The apartment is in a location that is very attractive for both peaceful and comfortable living, and also suitable for tourist rental.

Please contact the office to arrange to see this property.
