Opis nemovitosti

PRICE REDUCED FROM 85.000 EUR TO A FIXED 60.000 EUR

We are pleased to offer this set of stone houses for sale, located in the charming village of Povlja on Brač island.

The main property consists of two semi-detached houses (sized 18 and 29 sq.m), with car access and partial sea views to the bay.

In addition, there is another ruin (formerly a barn) sized 18 sq.m with the garden of 25 sq.m, both being phisically detached from the main property, but in immediate vicinity.

Houses have no utilities (though, the neighbouring properties are a step away) and need to be completely renovated.

This is a good opportunity for the buyers looking for traditional Dalmatian homes.

This property presents a unique opportunity for someone who wants to create a peaceful life or spend their holiday in one of the most beautiful areas of the island.

The island of Brač is connected by daily ferry lines to Split, while the international airport is 40 minutes drive from Split.

Please contact us for more information and to arrange to visit the property.
