Opis nemovitosti

Great offer!

In a quiet part of Betina (island of Murter) lies a renovated stone house of 90m2.

On the ground floor there is a kitchen and pantry, while a spiral staircase leads to the first floor where there is a large bedroom and bathroom.

The second floor consists of 2 smaller bedrooms, bathroom and a covered terrace (16 m2) which offers a sea view.

The great advantage of this house is quiet and pleasant surroundings that are provide by narrow stone streets which offer natural.

The sea and the town center is 400 m air distance.

Partial renovation is done in 2010, woodwork and ceramics are changed, and house is now equipped with quality kitchen parts and other furniture.

It is important to note that the current owners do not deal with renting, so this property is very well preserved.
