Opis nemovitosti

We have this commercial space (large warehouse/store room) 108 m2 on the south side of the island in Okrug.

It is located in the basement of a modern building with a restaurant above which is also currently for sale.

The space is currently being used by the restaurant.

The village centre is only a few minutes' drive, so if you need clean, dry space this is an ideal opportunity to acquire some.

The access road is direct so there is no problem about transferring/loading etc.

If you have any questions please contact us and also we can arrange to visit the premises.
