Opis nemovitosti

Price 150 - 155k euro

We are pleased to have these new apartments, still requiring internal fittings, for sale at a reduced price.

They were built in 2013 and represent a great investment.

There are two separate apartments, well built and designed with sea views from the wide windows and spacious balconies.

APARTMENT 1: € 150.000, 1st floor, 72.21 m2

Two bedroom apartment is on the first floor.

The apartment consists of two bedrooms, bathroom, kitchen, living room, kitchen and dining room in one area and a covered terrace.

APARTMENT 2: € 155.000, 2nd floor, 72.21 m2

Two bedroom apartment is on the second floor.

The apartment has two bedrooms, bathroom, kitchen, living room, kitchen and dining room in one area, and a covered terrace.

The apartments are located in a quiet location, with no through traffic nearby, but close to the pebble beach at the nearest point of the shore.

The land between the building and the sea is land that belongs to the recreation area, and as it is not in a designated building zone, so no further buildings can be built on this line.

The house is 350 m from the shore, and 800m from the village centre of this very popular village on Murter Island.

There is private parking attached with each apartment.

Water and electricity connected.

Please call our office to arrange to visit this property.
