Opis nemovitosti

Renovation project

We are offering this old stone house with huge potential as a renovation project.

It is a small traditional cottage on a large plot, elevated by natural geography to give with sweeping views of the sea and the village.

It has a total floor area of 54 m2, while the land has an area of 1800 m2.

The house has a small garden in front and access is from a short, private, access road.

It is oriented south.

House is connected to the electricity and it has water tank.

It is located 500 m from the sea.

The village is 10 kilometres from the Historic town of Hvar, while the ferry port is 15 km away.

For further information contact our office and we can help organise a tour and with information on renovating property in Croatia.
