Opis nemovitosti

Two apartment buildings by the sea

We are offering two seafront apartment buildings for sale, located in a tranquil charming bay on Lastovo island.

Both buildings are in the phase of shell completion and the future owner has to do the plumbing, wiring, flooring, tiling, facade etc.

The project is on sale in 'as-is' condition.

Electricity is on the site, while the mains water is nearby the property.

Each building hosts 6 apartments, a combination of 1-bedroom and 2-bedroom units.

All apartments has parking place and feature gorgeous sea views.

The price includes the VAT, therefore VAT-registered buyer can make significant savings.

Aternatively, a company owning the project can be bought (no property transfer tax).

For further information please contact our office in Split.
