Opis nemovitosti

Shore side building plot

This is a rare opportunity to buy a building plot, just metres from the sea, on the edge of a popular village on the mainland coast just north of Trogir.

It has breathtaking views, the water here is safe and beautifully clear, and it is only a short walk along the shore to the old village harbour where there is coffee bars, shops and cafes.

This land is being offered at 450 euros/sqm.

The airport is just under 30 km - 30 minutes drive.

Please contact our office in Split for more information about this.
