Opis nemovitosti

We are pleased to offer this spacious three bedroom apartment in a lovely Art Deco style block.

It is situated in the Bacvice area of Split, close to the town beach and five minutes walking distance from the ferry terminal.

The property faces south and enjoys a balcony along the entire front side, in a quiet and attractive street.

It is only 300 m from the beach and within close walking distance to all the attractions tourism enjoys, as well as practical shops, restaurants and the centre of this ancient city.

The apartment is located on the first floor of a building, and has a living area of 75 m2.

It consists of 2 bedrooms facing south, sunny and airy, and with direct access onto the balcony, and one room on the north side, as well as kitchen, dining room and bathrooms.

It has lovely high ceilings which give it a feel of spaciousness and light.

The apartment has a small storage room.

It requires some small renovation, but it is well maintained and ready for immediate living.

It is possible to use the garden around the building.

This property is ideal for living or a renting throughout the year.
