Opis nemovitosti

We are pleased to offer this spacious apartment in Split on the top floor of an attractive building in a prime location near the sea and the city centre.

It is located on the 4th (top) floor with beautiful views of the sea, and harbour, the Riva and the cathedral.

The apartment is oriented south.

Inside the property it has a living area of 130 m2 and it consists of two separate apartments, with a total of 4 bedrooms, 2 storage, 2 bathrooms, 2 kitchens, dining room and living room.

The lowest point of the roof is 125 cm and the highest is 360 cm.

The apartment is suitable for tourist rentals, or maybe converted into more housing units.

The building has an inner courtyard used as a private parking area.

Despite its central location, the apartment is isolated from the noise, which provides an easy escape from the crowds of tourists in high summer.

All necessary facilities are within easy reach of the building (restaurants, bars, shops) while the main attractions of Split and the travel 'hubs' are all within walking distance.

We can send more photos on request.

For further information please contact our office in Split.
