Opis nemovitosti

We are offering an independent building plot in a small village on the island of Ciovo with sea views.

The land area is 734 m2, which is enough for a good family sized villa and a swimming pool.

The plot has direct access for a vehicle.

The distance from the sea is 190 m.

All required infrastructure is nearby.

A shop, restaurant, cafe and other facilities are all conveniently close.

The historic town of Trogir, which is listed under UNESCO protection is 10 min. driving and for tourists, should the property be used as such, it will be a great magnet for year round tourism.
