Opis nemovitosti

We have this renovated old stone house situated in the old part of the village.

On the ground floor is an open plan kitchen, dining room with a toilet off the hallway.

Internal stairs lead up to the first floor and where there are two bedrooms and stairs lead up to the top floor which has two bedrooms - with private bathrooms.

Access to the roof is possible and it is easy to see how this flat roof could become a superb roof terrace.

The house is renovated, and furnished in a modern style - all ready to move in.

Extensive refurbishment of the property took place which included a new roof and new kitchen and bathroom installations.

The property has been categorized for renting.

It is situated just a few meters from the village centre, where the old Dalmatian fishing harbour is now the hub of village life, with a bakery, shops, cafes and other village activities all take place.

There is access to the sea and safe and clean places for swimming are all nearby.

Please contact our CPS Hvar office to arrange a viewing.
