Opis nemovitosti

Property Sales Croatia is offering this development opportunity near the town of Bol, the trendy town on the island of Brač with the famous Zlatni Rat beach.

Builders have built the ground floor but have currently stopped work. The house has 200sq m on the ground floor, with 2 levels above at 150 sq m each. The plot is 530 sq m. It has all modern services. The building is 500m from the sea and the same distance from the centre of Bol.

The house will have great views of the sea, Hvar and Zlatini Rat, and will have good tourist letting opportunities on completion. The same vendor is also offering a similar plot in front of this house for sale, and this could be purchased at the same time.

Please make additional enquiries to Croatia Property Sales.
