Opis nemovitosti

Built in 2007 this southern facing - all day sun - penthouse type apartment with fantastic sea views is located on the mainland near Trogir.

With very modern furnishing and fittings this cleverly designed spacious property is an ideal holiday retreat.

The design provides for, in addition to a main bedroom, two large gallery bedrooms.

Hours can be spent on the large balcony enjoying watching the maritime world pass by.

The apartment is part of a complex of six independent ones - of course each having its own private access.

Total internal size is 93,75 m2, while the terrace is sized 11,45 m2.

A five minute walk takes you to the 'Lungomare' - a 4 km long seaside pavement which runs between Seget Donji and the Medena Hotel complex; with all its water sports and other activities.
