Opis nemovitosti

Building plot in centre of village

We are pleased to offer this land plot of 1500 m2 in a quiet location, close to the centre of this quiet coastal village.

The land is suitable for building a family home/holiday villa with plenty of space for a swimming pool and landscaped patio area.

The land has easy access by road, and of course, private parking.

All necessary connections (electricity and water) are located in the immediate vicinity.

Distance from the sea is 300 m.

The village centre is built around the old harbour where there are some shops, bakery, cafes and bars.

For information or a tour, contact our CPS Hvar office.
