Opis nemovitosti

We are offering this very basic old stone house set in a small village with a sea view.

The house faces Brac, and the Makarska Riviera - on the mainland.

The building is semi detached and inside it has been left very basic and open plan.

It has new doors, shutters, a concrete roof and the walls are sound.

There is car access directly to the property.

The price of the house is a very modest 35,000 Euros.

There is a possibility of buying an additional agricultural land near the house (two plots, together with approximately 22,000 m2, with a sea view) at a price of 55,000 Euro.

For all questions and agreement about the tour, we are at your service at CPS Hvar office.
