Opis nemovitosti

We are offering this modern and well-designed two bedroom apartment on the second floor.

It is situated in a quiet part of a small town - near the edge and near the countryside - in a 'multi-purpose' building with sea views.

The interior of the apartment has a total area of 61.5 m2.

The apartment consists of two bedrooms, bathroom, open plan kitchen and living room with exit to loggia.

The building is well-built, with modern maintenance free, exterior aluminium-PVC joinery and enjoys an enclosed foyer entrance to the apartments.

The building comes with a maintenance man/janitor who keeps the standards high.

There is a good feeling to the apartment with high quality ceramic tiles in all rooms, and high ceilings giving a feeling of space.

The apartment is well maintained and in use for tourism.

The property is air-conditioned and connected to sat TV, plus all the services.

There is also one parking space for the apartment.

Distances:

8 km from the ferry port,

100 m from the centre, restaurants, cafe,

200 m from the sea

100 m from the bus station.

For all information, see the CPS Supetar office.
