Croatia Property Sales are pleased to offer the following first line seaside apartments on the island of Brač.

Only 1 apartment still available!

There are currently options of one, two or three bedroom flats all built to an excellent standard. They range in size from 25m sq to 112m sq. Each flat has its own balcony facing the sea and is equipped with air con, security doors, parquet and tiled flooring, and many finishes using the local limestone. The development is the last plot available for building before the 'Green Zone', where no more building is allowed.

The apartments are located on the edge of a charming fishing village, off the main tourist track, but with plenty of shops, restaurants, a bank, post office, local market and easy access to the mainland ferry.
