Opis nemovitosti

Croatia Property Sales presents a spacious apartment in the centre of Split.

The apartment has a total living area of 88m² and consists of 3 bedrooms, separate living room and kitchen, bathroom, hallway and south orientated balcony.

It is located on the 3rd floor of an old house, full of character, and was completely renovated in 2009. One of its attractive features is the special charm which is given by its high ceilings.

The position of rooms would allow reconstruction into two large or even three smaller apartments.

It is located in the city centre, close to public parking, theatre, "Prokurative square", shops, with wide options of bars and restaurants.

The property represents great renting potential or a wonderfully central private apartment.

It is a 'must see' option for anyone looking for a downtown apartment.

For more information please contact our CPS office in Split.
