Novelty in our offer on island Korcula! Typical Dalmatian stone house with large yard in the center of Smokvica.

The house consists of two floors and an additional 40 m2 building that can be renovated and used as a separate residential unit. The total living area is 190 m2.

The house has a spacious garden, and a side parking lot for several cars. It has a total of three separate entrances and a large sunny yard.

From the house there is a view of the Smokvica vineyards and the sea in the distance. The position, the size and the proximity of all the facilities make this property ideal for both residential and tourist renting purposes.

Distances:

- The sea is 4 km away.
- The town of Korcula is 27 km away.

For all inquiries regarding this property, please contact the CPS office in Split.
