Opis nemovitosti

It is our pleasure to present this building land plot in the first row to the sea in Slano, near Dubrovnik.

The land belongs in the T zone, and a small family hotel can be built on it. The sea and the beach are just 10 meters away.

The market, the marina and the tourist facilities are in close proximity, so this real estate has a fantastic investment potential for rental income in this spectacular location.

For all inquiries please contact our CPS office in Split.
