Opis nemovitosti

New in our offer!

In the very center of Split we offer this spacious apartment with balcony.

The apartment is located on the 2nd floor of a smaller building with a common yard. It consists of a spacious hallway, three bedrooms, bathroom, storage room, kitchen with dining and living room and a balcony.

The apartment is completely renovated. It is possible to separate it into two units and use it for a tourist rental. It is surrounded by two one-way streets and no matter the city location, there is no great noise or traffic.

Great advantage of this apartment is the garage that, together with space in front of it, offers parking space for 2 cars.

If you are buying the apartment without a garage, the price is 280.000eur.

The international airport is 30 minutes' drive away.
