Opis nemovitosti

On the first floor of a high quality newly built apartment building on Znan, there is this spacious two bedroom apartment of 86.6 m2 with a beautiful view of the sea and the island of Brač.

Both bedrooms have a separate small terrace, and from the living room, which is connected with the kitchen and dining area, you come out to a large sunny lodge. The apartment has one large and one small bathroom and is fully equipped with furnished.

It is oriented towards south and east, surrounded by greenery and few more newly built residential buildings.

It has a parking space in front of the building and a separate garage on the ground floor of the building which also has a staircase exit.

Although only 200 m away from the Znan Plato, this location will get its full affirmation with further urbanistic development of the Znan beach, so the price of 2.000,00 eur/m2 (increased for the price of the garage) is a great opportunity for a pleasant family life and for tourism rental, as well.
