New to our selection in Split.

We have this two bedroom apartment on the second floor in the centre of Split, with two balconies.

The apartment is fully renovated, luxuriously furnished and air-conditioned. It has a very spacious total of 105 m2 of living area.

It consists of a living room, kitchen, dining room, bathroom, bedroom with its own bathroom and another bedroom with two beds.

The apartment has a south-east orientation and has a balcony from the bedroom, and a loggia (covered balcony) from the living room.

There is no private parking, but there is enough 'street parking' around the building, for anyone planning to keep a car here.

For any additional questions please contact our CPS - Split office.
