Opis nemovitosti

It is our pleasure to present this semi-detached, typical Dalmatian house in the first row to the sea near the center of town.

The total living area of the house is 140 m² and is located on a plot of 249 m². It consists of two floors. On the ground floor is a room of 70 m² and on the 1st floor 3 bedrooms, bathroom, kitchen with dining room and balcony. From the balcony there is a beautiful view of the sea and the bay.

The house has secured access by car, behind the house there is a terrace and a spacious garden of 177 m², which offers great potential.

For any additional questions, please contact our CPS office in Split.
