Opis nemovitosti

Detached, newly built house, in a remote location with beautiful sea view.

The house is still unfinished. It has a beautiful sea view, as well as a large yard ideal for planting Mediterranean flowers and plants. In the yard there is enough space to build a swimming pool.

On the ground floor of the house there is a kitchen, dining room, living room, and a terrace with a beautiful view of the sea and the surrounding hills. On the first floor there are three bedrooms and a bathroom.

Remote location gives this property great potential for people who like privacy and enjoy outdoor spaces.
