## Opis nemovitosti

---

A semi-detached house in exceptional location, right next to the sea.

The house has 102 m<sup>2</sup> of living space and consists of ground floor and first floor.

The interior needs to be adapted, and on each floor of 51m<sup>2</sup> the new owner can arrange rooms according to their own wishes.

The house has a courtyard of 150 m<sup>2</sup>, with a garden and a auxiliary facility of 15.5 m<sup>2</sup>, which served as a summer kitchen. In the garden there is also a summer terrace that offers a beautiful view of the sea.

The house is south-oriented and is located close to all the amenities.

There is car access to the property, and the house would, after adaptation, be ideal for tourist rental purposes.

For any further information please contact our CPS office in Split.
