## Opis nemovitosti

---

We are happy to offer this spacious 2-floor apartment connected with internal stairs, only 5 minutes away from a beautiful pebble beach on the south side of Ciovo island.

This apartment is in a house but has its own separate entrance with 2 parking places. On the ground floor is a bedroom, spacious living room with a sea view, nicely furnished wooden kitchen and 2 bathrooms. The floor has been completely renovated and is all in wood. The upper floor has 2 bedrooms, one with a balcony and a beautiful sea view, while the other room has a beautiful sea view as well but without the balcony.

The owners do small renovations of the apartment each year since the apartment has been rented for tourist in summer. On the basement floor are 3 additional apartments and there is a possibility to buy the whole house.

Each apartment has been decorated nicely and no renovations are needed.

The area is very attractive and quiet and yet close to all amenities.

Trogir is 15 min away while the international airport is 25 min away.
