## Opis nemovitosti

---

We are happy to present this recently renovated house in a fantastic location, just few meters from the sea.

The house has 2 floors and 100 m2 of living space. In front of the house there is a large covered terrace (40 m2).

The ground floor consists of two bedrooms, large hall, kitchen, living room and bathroom. This part of the house, for the most part, has high ceilings (over three meters) and preserved antique boat floor. From the kitchen you enter a separate part / covered summer kitchen with a fireplace and another courtyard.

The first floor consists of two more bedrooms and a corridor. Behind the house there are spacious gardens, and next to the shore there is a storage for a boat or a garage.

Parking is available next to the property.

In front of the house there is also a mooring for the boat.

For any further information please contact our CPS office in Split.
