Opis nemovitosti

An old Dalmatian stone house, needing complete renovation, located in the center of town.

The house consists of three floors and each floor is 30 m². On the ground floor there is one large room, and the external stairs lead to the first floor, while the second floor is reached by internal staircase.

The house is located in the center of old town, in a quiet location near a beautiful square. Nearby are the sea and the beach.

The property is located 10 km from the ferry port.

For all further information please contact our CPS office in Hvar.
