Opis nemovitosti

Very large land plot in building zone located in a beautiful quiet cove.

It is a plot of 6886 m2, 20 meters from the sea, overlooking Brac island and Makarska Riviera.

The owner is also selling an additional 21000 m2 of agricultural land located immediately next to the building plot.

All infrastructure is in the immediate vicinity of the land, and there is also a road leading to the plot.

Because of the size of the plot, it is possible to combine the construction of one or more luxury villas.

The land is located in a beautiful, peaceful location, equally attractive in the winter and summer months.
