Opis nemovitosti

We are presenting this semi-detached house in the first row to the sea.

The house is located in a small fishing village a few kilometers south of Omis, below the main road and close to all amenities.

House has a living area of 107 m2. On the ground floor there is a kitchen with dining rooma and a living room with terrace access.

On the first floor there are 3 bedrooms, 3 bathrooms and a large balcony. Both floors are air-conditioned.

The house also has its own garage and the old building permit for another floor.

The position of the house, the proximity of the sea and the possibility of building a pool, give this house great potential.
