## Opis nemovitosti

---

This part of the old stone house of 54 m2 is located in the heart of the old town near a fish market.

On the ground floor there is a kitchen, a bathroom and a storage room. On the first floor there are two rooms. The bigger room has 19 m2 and is facing the north. Smaller room has 12 m2 and is facing the south and looks into the yard in front of the house.

In front of the house is a shared yard that is fenced and offers privacy.

The house has no car access, as it is located in the old town, right near the Diocletian's Palace.

The property has great potential for tourist rental as all important facilities and venues are located nearby.

This property is in need of a complete renovation.

For any additional questions please contact our CPS office in Split.
