## Opis nemovitosti

---

Complex of stone houses for renovation.

These four stone houses, requiring complete renovation, are located in a quiet location, some 3 km from the sea.

There is plenty of space for a garden or a jacuzzi around the houses. All infrastructure is located right next to the property.

Because of its quiet location, this property is ideal for someone who appreciates privacy and nature.

The ferry port is about 4 km from the property.

For all further information, please contact our CPS office in Hvar.
