Opis nemovitosti

Luxury apartment in a unique location in the first row to the sea, overlooking the cathedral of Sv. Duje and the whole old town.

This modern apartment of 90 m2 is located on the second floor of a smaller building.

It consists of three bedrooms, two bathrooms and a large living room. Two rooms are located in the north and have a view of the small stone Dalmatian houses, and one is in the south-east with a separate bathroom and a view of the Riva and the sea.

In the middle there is a spacious, modern living room with dining area overlooking the very center of Split. From the kitchen you come out to a balcony overlooking the sea.

At the top of the building there is a shared terrace of 120 m2 that has a magnificent view of both the sea and the town of Split. It features sun loungers and has access to a shared kitchen with large coolers for refreshing drinks.

The building has car access, and in the price a private parking space in the garage near the building is included.
