## Opis nemovitosti

---

Renovated, old stone house on three floors, near the very center of Split.

The house has privacy and is located in a very quiet place, yet close to all sights and restaurants.

This typical Mediterranean-Dalmatian house, with stone walls and green shutters, yet full of sunlight near Diocletian's Palace, is the real pearl on the market.

It has 100 m2 of living space, and consists of two apartments (one of which is a duplex), each with its own separate entrance.

For any additional questions please contact our CPS office in Split.
