Opis nemovitosti

We are happy to offer this cozy apartment on the north side of Ciovo island.

It is located on the top of the hill and because of the configuration of the terrain, provides nice sea views from apartments. It is located on the border between Mastrinka and Arbanija, which are the living areas on Ciovo. It has all the necessary amenities, from grocery shops, restaurants and bars, hotel etc.

With the new bridge being finished and finally used, Ciovo is now better connected to the mainland and arriving to the apartment is now faster and easier.

This apartment is located on the 1st floor and consists of 1 bedroom and bathroom, kitchen and living room area in one with a total of 33 sqm. It also has a small loggia of 6 sqm which provides nice sea views. In the basement is a small storage area of 4 sqm. On the ground floor area are 4 swimming pools, 2 adult and 2 children pools for all tenants and their guests to use freely.

Also, in front of the building is a parking place for each tenant. This area is peaceful since the area above is a green area, where no building is permitted. Access to the apartment is a little bit steep, but because of that provides nice views towards the sea and the mainland.

Distance to Trogir is only 3 km while the international airport is now easier to access, with the new bridge being built, even during high season, in only 20 min by car.
