Modern villa with beautiful sea view, in a small village 15 kilometers south of Split.

The villa is currently in the project phase and the start of construction is planned for the first month of 2019.

This three story building with 315 m2 of internal space will be built on a plot of 650 m2. The basement consists of garages, technical rooms, and additional rooms for flexible use.

On the ground floor there is a kitchen with a dining room, from which there is a large terrace with a dining area and a barbecue grill. The master bedroom with a bathroom is also located on the ground floor, while on the first floor there are two bedrooms with a terrace exit.

Given that the villa is in the design phase, the client's wishes can be taken into account.

The villa will be equipped with state-of-the-art installations of electricity, water, air conditioning, solar heating, pool heater, electric roller shutter, video surveillance, etc.

There will be a custom made kitchen, and according to customer's wish it is possible to completely furnish the villa.

Distance from the sea: 300 m

Distance from the airport: 32 km
