Croatia Property Sales are pleased to offer this good sized building plot suitable for a villa with a pool.

The land is situated in Kastela, 700m from the sea, on a slight hill, so affording great sea views. It is 10 minutes from the Split airport, 20 minutes from Split and a short walk to shops and local services.

The permission attached to this land plot is for either a commercial, residential or a mixed development, and there is another piece of land adjacent (400m sq) which can be bought at a discounted rate for anyone looking for a larger plot.

The plot measures 939m sq, and has an access track. Electric and water services are nearby and sewage can be attached to the local system, so no septic tank is necessary.

The local area is popular with tourists and commuters because of the sea nearby and the short drive to Split. There are shops, restaurants, and all expected local services.

Please call us for more information, or to arrange a viewing.
