Opis nemovitosti

Croatia Property Sales are pleased to offer this building plot, 200m from the sea on Ciovo Island, 10 minutes drive from Trogir.

The plot is 587m sq on Ciovo island, facing the mainland, a few km south of Trogir, and 20 minutes from the airport in Split. The plot is large enough for a villa and an outside swimming pool, and raised on the slope of the island to ensure a superb view across the bay.

There are neighboring properties so vehicle access, water, electric and drain services would be no problem. It is an attractive and sought after part of the island, very popular in high summer because of its closeness to the airport, Split and clean beaches.

Nearby, in walking distance are shops, coffee bars and bars, and slightly further are the cultural and historic buildings in Trogir. Trogir also has more sophisticated night life, top restaurants and many tourists travel a long way to experience the town.
