Opis nemovitosti

Ground floor apartment for complete renovation in the first row to the sea.

It is situated in a great location, close to the beach in the center, and near the airport.

The property is up for complete renovation.

The total living area is 61 m², there is no partition walls so that the layout of the rooms can be designed as desired.

Property has car access and the possibility of public parking.

It represents a great investment for tourist renting purposes.

For any additional questions please contact our CPS office in Split.
