Opis nemovitosti

Croatia Property sales are pleased to offer this modestly priced building plot on Ciovo Island.

The land is situated in Okrug Donji, 150m from the sea, with access to the sea and beach down an attractive track through the forest of Mediterranean pine trees.

The land area is 1200m sq, which would allow the building of a substantial property with plenty of land for gardens, parking and a private swimming pool. There is vehicle access to the plot.

The area is popular with tourists because of the clean beach and tourist facilities. Nearby is the UNESCO World Heritage Site of Trogir with many of the region's best restaurants and historical and cultural. Split international airport is 20 minutes from the property.

Croatia Property Sales are happy to be employed to liaise with the planning authorities before committing to the purchase.
