## Opis nemovitosti

---

Detached house with nice sea view.

On the ground floor there is an open space with kitchen, dining room and living room.

There is also a bathroom, guest room and bathroom, and storage. Behind the house there is an outdoor shower and another storage space.

The internal stairs lead to the upper floor, which consists of three bedrooms with access to a terrace, a bathroom and a large terrace.

The attic can be converted so that living space can also be made there. The house was built in 2000, with Mediterranean plants, olives, figs, lavender, etc. planted all around the house.

The whole house has about 150 m2 of terraces and balconies.

It is situated in a quiet location, close to the sea and the town center.

It has access to vehicles and a large garage. Next to the garage there is also 636 m2 of building land, on which another house can be built.
