Opis nemovitosti

Croatia Property Sales are offering this large building plot on Ciovo island.

It is situated 85m from the sea, 3 miles only from the UNESCO historical site of Trogir.

Because of the steep sides on the north side of the island it has superb elevated views over the sea to the mainland. Nearby are a few village shops and bars etc.

The land plot is 684m sq which gives enough space for a substantial villa and swimming pool, private parking and space for olive or fruit trees, or other garden plants. The road runs adjacent to the land plot and essential services, (water, electric etc.) are also close, ready for connections.

Croatia Property Sales are happy to manage the building of the house. See:
