Opis nemovitosti

Building land plot in great location, in the first row to the sea.

The plot is of regular shape and has an area of 701 m². It is located near Privlaka.

All the necessary infrastructure is close to the plot. In this location it is possible to build a villa with a swimming pool on three floors.

There is also secured vehicle access.

The plot is separated from the sea only by a narrow promenade.

This plot, given the location and proximity to the sea, is a property that is definitely worth a viewing.
