Opis nemovitosti

One bedroom apartment in the city center with a terrace on the ground floor.

There is no direct vehicle access to the house, but it is possible to come with a car to some 50 meters from the house.

The entrance to the apartment is through a beautifully landscaped private yard. Directly from the yard, one door leads to the bedroom and the other to the living room.

The two rooms are connected by an internal door, and the kitchen continues on to the living room.

There is also a bathroom in the apartment.

The apartment is nicely decorated and is located some 400 meters from the sea and the beach.

For all questions please contact our CPS office on Hvar.
