## Opis nemovitosti

---

Croatia Property Sales are offering this modernised apartment in an old stone house in the ancient 'fortified town' of Trogir.

The house is situated 35m from the main Riva, in a quiet, car free back street, in the UNESCO protected Venetian town of Trogir. It is 15 minutes drive from Split airport and walking in any direction will bring you to numerous options for restaurants, bars, shops and coffee shops. The town is a centre for cultural and historical visitors in the area, as well as a significant port for sailors embarking and completing their holidays from the large Marina.

The flat itself is 85m sq, situated on the first floor, facing South. It consists of a kitchen, bathroom, dining area, and 2 bedrooms. The property has been decorated and maintained to a high standard. It is ready to move into.

The local area is so full of interest and history it has many guide books devoted to it, and the local government work hard to ensure changes are kept to a minimum.

Please contact the Croatia Property sales offices in Split with any enquiries.
