Opis nemovitosti

Croatia Property Sales are pleased to offer this large building plot, metres from the sea on Solta island.

The plot is situated adjacent to the road, only 10 minutes from the main ferry terminal to the island, facing the mainland, but a short walk inland brings you to quiet, unspoilt natural fields and woods.

It measures 1209m sq and it is possible to build either one large villa or two smaller ones. In either case there is room for a swimming pool, boat store, garage or large garden.

There is vehicle access, all the services (water, drains, telephone etc) are nearby.

The plot slopes gently towards the sea, giving superb sea views.

There are very few genuine first line plots left and this is being sold at a very realistic price.

Building in Croatia should not be intimidating for foreign investors as our sister company has ensured many clients holiday dreams have become reality.
