Croatian Property Sales are offering this fabulous grand villa on the Adriatic shore.

It is situated just a few metres from the clear sea near Primosten, 20 minutes up the coast from Trogir, and about 30 minutes from Split airport.

It was lavishly designed and built and no expense was spared with the interior fittings and decorations. There are 10 bedrooms, 6 bathrooms and a total residential space of 600m sq.

The villa is set in 1100m sq of land, and has a high wall built around the plot, which ensures complete privacy. The garden has been well cared for and there is a superb collection of Mediterranean plants, which blend in perfectly with the property.

The building is set on a slope and this has created the opportunity for the architect to use the surroundings to ensure there are many terraces and balcony's with spectacular views overlooking the sea and the nearest islands. There is private parking on the plot and plenty of space for modern improvements such as a swimming pool etc.

This is truly an amazing and elegant property with a wonderful history.
